LONGINES®

OFFICIAL TIMEKEEPER

Longines DolceVita

Dear Athletes:

On behalf of our family and the entire team of the Live Oak International Tournament 2016, we want to thank you for considering what promises to be a truly memorable event. Live Oak International was born out of our family's passion, strength, and commitment to excellence in the equestrian sport. Our family has always had a strong commitment to the equestrian sport and continues to strive for the highest standards in sport and sportsmanship.

For more than 24 years the Live Oak International has been the industry standard for Combined Driving competition in North America. The event welcomes drivers, trainers, coaches and owners from all over Europe and North America. In 2012 Live Oak International added Show Jumping to the program and it was an instant success. Last year 52 riders and 85 drivers from more than 20 countries came to Live Oak and competed under the live oak trees. We take pride in offering an environment that is horse friendly by providing large stabling areas and grazing areas for all of our horses under majestic oak trees.

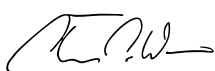

This year we expect more than 10,000 spectators to attend on our weekend program of events watching the exciting Marathon and World Cup qualifying Show Jumping Event. The event not only offers excitement, but the chance to see two very unique events being held at the one location. We welcome back the world famous Budweiser Clydesdale's team for 2016.

While being recognized as a fun and well-managed show it is important to know that horsemanship and sportsmanship come first at Live Oak International. The schedule for this event remains light in comparison to many events in North America and we hope that you will take advantage of that time to enjoy both the Driving and Jumping events. Live Oak International again has committed more than \$180,000 in prize money spread over 4 Jumping classes with a rider bonus of \$10,000 for the leading rider with the most points. Live Oak International is leading the way also in comparison to other Combined Driving events by providing prize money in all divisions.

We hope that you will join us and be part of the 2016 Live Oak International. To help you reach that decision we urge you to either contact both of us with your suggestions and any questions you may have about the 2016 competition. We know that many of our athletes and the owners of their horses may wish to arrange for special VIP hospitality on site during the competition and we stand ready to create and accommodate any special customized packages for you. We look forward to seeing you all soon.

Warm regards,
Chester C. Weber
